

WHERE DO WE SERVE?

The Institute of Charity is organized into six geographical Provinces: East Africa, England-Wales-New Zealand, India, Ireland-USA, Italy, and Venezuela. We also have an emerging Vietnamese region. There are considerable opportunities for members from one Province to serve in another.

By now, you will realise that rather than being known for our roles we hope to be first known for our spirit. But among our works are the following: parishes, schools, clinics, various chaplaincies, centres of culture and learning, retreat work and spiritual direction. In each of these works we endeavour to serve the person, the people, the community, the society, and in this way play our humble part in bearing witness to God's infinite love, building up the Lord's Church, and serving civic society.

KEEP IN TOUCH

Thanks for reading so far. We hope this introduction has given you a 'taste' of who we are. We are small Order greatly blessed by our beautiful charism entrusted to us by Blessed Antonio Rosmini. Our friendships are strong. We know each other, we care for each other, we welcome relations, friends, family members, and collaborators into our Houses. And we would welcome you too.
