

Knock, Knock. Who's There?

Discover New Connections in Our Parish!

Are you ready to make new friends and strengthen bonds within our church community? Join "Knock, Knock. Who's There?"—a delightful and engaging ministry that brings parishioners together for monthly dinners in a fun, surprise-filled setting.

How It Works:

- **Hosts and Guests:** Once per month, volunteer hosts open their homes and provide the main dish, while guests bring side dishes. Neither hosts nor guests will know who they're dining with until the evening of the event!
- **Sign-Up:** Interested parishioners can sign up via email, choosing to be a host, a guest, or both. The Program Coordinator will handle the match-ups to ensure a fresh experience every month. Hosts inform the Coordinator how many guests they can accommodate (recommend 4-6 guests).
- **Monthly Event:** Dinners are held on a designated Saturday each month, from fall to late spring. Enjoy a casual and welcoming atmosphere where you can meet new faces and enjoy great food.
- **Season Finale:** The program concludes with a grand potluck dinner, where everyone comes together to celebrate the connections made throughout the year.

Get Involved: Whether you're a seasoned cook or just love meeting new people, "Knock, Knock. Who's There?" is a fantastic way to grow in fellowship. Our pastor, associate pastor, and parish staff are especially encouraged to participate, making this a wonderful opportunity to interact and strengthen our church family.
